Diolch Yn Fawr! Thank you very much for your interest in the publications of The Welsh North American Association. Each year (and particularly around March 1 - St. David's Day), Welsh events are held throughout Canada and the United States. At most, if not all of these, a highlight is the group singing of hymns and folk songs. It has become customary for those attending these events to bring their own "song book" with them. You are invited to use this brochure to secure your own copy of any or all of these special publications/recordings. With your own copy, you can join the singing and enjoy even more the fellowship of this special tradition

Founded in 1929 (incorporated in 1951 as the Welsh National Gymanfa Ganu Association, Inc.,) seeks to:

Preserve, develop and promote our Welsh cultural heritage and traditions, including but not limited to the Gymanfa Ganu, to do all things necessary and proper to accomplish and enhance the same.
(WNAA constitution, Article 2).

As part of an ongoing program to achieve its objectives, the WNAA uses these publications to help its members and all others interested in those goals.
